REMARKS

OFFICIAL

In the Office Action, claims 1-3 are rejected under 35 U.S.C. §103(a) as being anticipated by Szajewski et al. in view of O'Callaghan et al. Claims 4-6 are objected to because of informalities but would be allowable if rewritten or amended to overcome the objection.

Claims 1-3 are now cancelled.

Claim 4 is amended to change "Trying to obtain" to --obtaining-- to overcome the informality. Claims 4-6 are allowable now.

The above amendment has been made without prejudice. FIGs. 1A, 1B and 2B are amended to correct a few typos in the flowcharts. Only annotated sheets showing changes are submitted through FAX for approval. Replacement sheets will be submitted by mail after the application is allowed. The specification is also amended to correct some editorial and grammatical errors. Claims 4-6 are now in full condition for allowance. Prompt and favorable reconsideration of the application is respectfully solicited.

Respectfully submitted,
